WIRE

Warehousing Industry Resources Event

Investigate the latest in warehousing products and services in a casual, low-key setting. Visit with representatives from all areas of the industry including material handling equipment, picking systems, warehouse management systems service providers and more.

Contact Gary Master at 719.495.5050 or Jim Indelicato at 630.521.9033 for information about sponsorship or exhibiting.

Manufacturers and distributors of all types of products and services will be exhibiting at **WIRE**. There's no better way to learn about new products and services than through face-to-face dealings, demonstrations and Q&A with these industry suppliers. It's one-stop-shopping at its best. **WIRE** offers low pressure and high informational value.

WERC & DC Velocity's
WIRE
 Warehousing Industry Resources Event

Serve as a conference volunteer!

It's fun. It's easy. It's rewarding

Serving as an ambassador or helping out at the registration desk are great ways to take an active role in the WERC conference. Volunteer for one or both! **Contact Ellen Pendola at 630.990.0001 or ependola@werc.org**

Registration Desk

Welcome people to conference, register them, hand out materials and answer questions.

Ambassador Program

Conference offers a friendly atmosphere and ambassadors help make that happen. You'll answer questions about conference and about WERC and assist staff in directing attendees to sessions and events.
